## Dinosaur School

Dinosaur School develops children's social and emotional competence.

Dinosaur School is a series of small group sessions which will be based in our school.

It is aimed at Foundation pupils to promote friendships and follow school rules and deal with their emotions.

We use puppets, special activities, books and games to promote positive social interactions and to increase cooperation with teachers.

## The Puppets

Puppets are used in the programme as they have been proven to be extremely effective in the teaching of social skills in young children.

We use two life size puppets, Wally Problem Solver and Molly Manners.

Dinah Dinosaur (reinforces rules as she is the Headmistress of Dinosaur school) and a Turtle (helps manage uncomfortable feelings such as sad and cross).

We use action songs to engage and motivate children and role play to provide opportunities to practice new skills and learn different perspectives.
