

The Welsh Government has allocated funds to schools in the wake of the Covid 9 pandemic to help schools 'Recruit, recover and raise standards', this is also called the Accelerating Learning Programme or ALP.

'During the crisis it is clear that many learners have not progressed as much as they might in terms of their progress in learning, some having been impacted more seriously than others. Evidence from a range of reliable sources (OECD, ARC, Estyn, the regions, Sutton Trust, Children's Commissioner, Barnardo's, International Intelligence Updates), including those focusing closely on Wales, suggests that most or all learners have been affected, and that the most vulnerable have been affected the most. The comments in this paper should be read in the context of the Welsh Government Learning Guidance, designed to inform practice as we return to school in September 2020. '

(Key principles of the accelerating learning programme (ALP). Guidance document, 21 August 2020)

At Ysgol Emmanuel, the allocation will be used:

To fund 2 members of staff (one TA, one HLTA) to deliver catch up and other reading interventions. These members of staff will be deployed to run reading and Numeracy interventions for the 2020-2021 academic year.
