

Dear Parents/Carers

Welcome back to the new school year. We have started well and have been mentioned positively in a recent Estyn thematic report on teaching in Wales. The link to the report is on our website in the Key Information area under Estyn reports. It is a nice start to the year to get positive recognition of the hard work and professionalism of our teaching staff.

We want to have a successful year in partnership with you as our school community. The children were reminded about the need to be in correct school uniform in an assembly last week and we expect that to continue. Please do not send your children into school in Crocs, coloured trainers/sports shoes, high heeled boots, hoodies or with jewellery other than stud earrings. Nail varnish and fake nails, coloured hair and tramlines are also not acceptable for school. Please work with us on this as you agreed to this upon admission to the school.

Our three main school priorities this year are increasing the use of spoken Welsh, to increase our understanding of AI and digital technology and to continue to try to balance the school budget. Again we ask for your support especially with the use of Welsh, we want our children to have a great start ready for the workplace and in Wales, speaking Welsh gives lots of advantages as well as being fun to learn. We will continue to work on Literacy, Numeracy and all other skills both academic and social.

It has been lovely to see past pupils in their new high school uniforms over the last two weeks including last year's Merit monitor, Mally, who told us he will continue to check the newsletter to see who has won the merit each week even though he has left us! We wish our ex pupils continued success in their new schools. We would like to extend a warm Emmanuel welcome to any new families who have joined us, we hope you will be happy and that the new children settle into their classes well.

Dymuniadau gorau/
Best wishes
Mrs R Archer
Pennaeth/Headteacher
