

Dear Parents/Carers

We have all been wearing red today to support Show Racism The Red Card and the children have been learning about diversity over the course of the last two weeks. We would appreciate your support in reinforcing the message that racism and making racist comments is unacceptable. We take a zero tolerance approach to this and try to educate our pupils to show kindness and to create a sense of belonging for everyone. A warning to parents that it has been reported to us that racist language is being used on computer/console games, please check your children's devices if they have the ability to message as they could be exposed to language that is inappropriate or racist.

We were informed this week that we have retained the Platinum Eco award and the assessor said the following about our Eco work in school:

'The Eco-Schools process is still running effectively at Ysgol Emmanuel and you are continuing to discuss and develop new projects and ideas. It was wonderful to read about your successes in reducing waste and growing your own food.' Well done to Mrs Smith and Mrs Pritchard and the Eco council pupils for leading this scheme in school.

This week the Reception classes did a sponsored Autumn walk to the Coronation Gardens and were able to raise funds for their Enterprise project which is to further develop their Outdoor learning. Thank you for all of your kind donations. Year two also had a trip to Chester Zoo and had a lovely day looking at all the animals to enhance their topic work.

Next week is half term and we hope you have a good week. There is no training day after half term so pupils come back to school on Monday November 3rd.

Dymuniadau gorau/Best wishes

Mrs R Archer

Pennaeth/Headteacher
