

Dear Parents/Carers

Last week we hosted the first Rhyl Youth Council at our school. This council is made up of School Council representatives from the RLC schools and the hope is that they will work together on projects in Rhyl and for Rhyl and will be part of the voice of children and young people moving forwards. At our first meeting Councillor Alex Walker, who is also the Mayor of Rhyl, attended as he had suggested this forum. Also in attendance was Mrs Ros

Williams who works for the Neumark Foundation which is leading on the One Rhyl One Voice project to improve the lives of those living in Rhyl.

Our Ysgol Emmanuel School Council also got to have time with our local MP Gill German today. They asked a variety of searching questions about our locality and what Mrs German can do to help us at the UK government level.

Year 5 had a visit from Reaching Wider today. They took part in an exciting robotics STEM workshop where they learned about AI and how it is now used in the workplace. Jasper said *"It was really, really fun and we made our robot wink!"*.

I sent a message earlier in the week about high school pupils not coming onto our yard at the end of the day. We received some verbal abuse from some of these young people which is really disappointing. Please do not ask your high school children to meet you on the school grounds, they must wait outside the gates to avoid more congestion on our already busy school site.

Dymuniadau gorau/Best wishes

Mrs R Archer

Pennaeth/Headteacher
