

Dear Parents/Carers

For information, we only have one Family Link Worker now, Dani Eames, and she is only with us for one and a half days a week so we do have to limit how many people we refer to Dani. If you ever need help in school please speak to either the office staff or any of the teaching or support staff including myself, Mrs Coleman (Deputy head) or Mrs Jones (ALNCo) and we will do what we can to assist you. Our school vision is 'As a community we learn, grow and achieve together' and we do want to help but we are limited in time, funding and capacity as are all schools. Please understand that we cannot assist you in all matters outside of school and education.

A quick reminder that footballs from home are not allowed in school. If your child does bring one in, it will be confiscated until the end of the school day. The reason for this is because it goes against our health & safety policy as it is an injury risk to younger children. Thank you for your continued support with this.

Music is an important part of our curriculum and complements our collective worship too. We have been trying as a school to get back to the high standard of singing that we had before Covid when it was not allowed and today in assembly was the evidence that we have achieved this! 6P sang Calon Lân for the rest of Key Stage 2 after practicing every day this week. It was wonderful to hear. In both of our merit assemblies we also sang 'Thank you Lord for this new day' and in the Foundation assembly Macey-Mae (1A) and Darcey (2D) came to the front of the hall to help the younger ones with the actions and in Key Stage 2 Mason (6P), Kaitlyn (5G), Marley (3P) and Poppy (4D) did the same. It was a lovely, joyful way to finish our week.

Dymuniadau gorau/Best wishes
