

Dear Parents/Carers

In order to keep the school working well and our pupils to receive the best possible education, it is important that our staff have a manageable workload. With this in mind, you may have seen a Seesaw message outlining the working hours for staff. Some parents are sending messages very late at night/early in the morning and are expecting an immediate response from the teachers. As you will be aware they have the right to a work life balance to have dedicated time with their own families and although they go the extra mile, they should not be expected to monitor Seesaw all hours of the day and night and at weekends. If any messages are urgent, please phone the school office during working hours or leave a voicemail if the school office is closed and we can deal with that each day. We want to have positive and open communication with parents and to this end, members of the senior leadership team are on the gates every morning and teachers are available at the end of the day for a quick chat. For conversations that need more time, please arrange an appointment with the relevant member of staff.

Year 6 have had a super few days in Cardiff and were able to go to the Big Pit, the Senedd, the Principality Stadium, Cardiff Castle and a boat tour on the River Taff! They were very tired when they arrived back home!

This week we have also celebrated St David's Day and World Book day. Children and staff were asked to take 'extreme' reading photos and the results were brilliant, the winners of this competition were Lilly-Rae (Nursery), Ethan (Reception), Henry (Yr 1), Lilah (Year 2), Mia Sm (Yr 3), Callum T (Yr 4), Adam (Yr 5) & Toby (Yr 6). Da iawn pawb!
