Teaching Assistant RB

Reception – Spring Term Reading

This term, the children will be sent home with their own reading books and sounds to practise. Reading is a very important part of Reception, and we really appreciate your continued support at home.

Please try to spend a few minutes each day reading with your child and practising their sounds. This regular practice will help to build their confidence and support their progress in reading.

PE

This term, the children will have PE on Monday afternoons. Please ensure your child brings a PE kit with shorts, a T-shirt and pumps, and that all items are clearly named.

Seesaw

We will continue to share pictures and messages via Seesaw. Please ensure you are connected so you do not miss any important information.
