

Dear Parents/Carers

This week three of our Year 6 pupils and two of our teachers have been enjoying a Taith funded joint trip to Italy with pupils and staff from the RLC schools. They have had the opportunity to visit Mount Vesuvius, the archaeological site of Pompeii, try out pizza and gelato making and most importantly visit a partner school in Sorrento. The pupils had to apply and go through an interview process and selecting only three was very difficult.

As part of our international links work we will also be hosting four teachers from Lesotho in Africa in June and they will get the opportunity to see how schools in Wales operate. They will split their time between us and Ysgol Tir Morfa as part of the Dolen Cymru organisation. Wales has been twinned with Lesotho for many years due to similarities between the two countries even though they are on opposite sides of the world! Our pupils will be able to learn all about their country and we look forward to welcoming them.

FOYE held their annual Mother's Day stall today where children could buy a gift for someone special in their lives. The stall was a huge success raising £240 for our school! We would like to say thank you to all of our FOYE members for all of their hard work and dedication as always. FOYE are also holding an amazing Easter raffle to raise money for our school! Tickets are £1 a strip and will be can be purchased from our cafe during coffee morning on Tuesdays and Thursdays. Also keep your eyes open for tickets on sale on the yard on days in between coffee mornings. The raffle will be drawn on Thursday 26th March.

Also, a reminder that we have class photographs on Tuesday next week. Please ensure children arrive to school on time and in full and correct uniform. Children who arrive late may miss their class photo and it cannot be retaken.

Finally, our Chair of Governors, Andrew Wilde, has asked me to make you aware that we are having an interim visit from Estyn next week. They will not speak to parents or governors on this occasion as they only come for one day to check progress on the recommendations from our core inspection which took place in June 2023. We are looking forward to showing the inspectors how wonderful our pupils are and the excellent teaching and learning in our school.

Dymuniadau gorau/Best wishes

Mrs R Archer

Pennaeth/Headteacher
