

Dear Parents/Carers

We have had our first full week in school and most children have settled well into their new classes with their new teachers. Although children have only just moved into their new classes, admissions for next year's Year 7 are already open and the deadline for applications is Saturday 31st October. Information has been shared on Seesaw about this. Please make sure you make note of the deadline as late applications may mean your child does not get the school place that you want.

I have had a large number of holiday forms since we have come back from the six-week holiday. Please note that holidays in term time will not be authorised and may lead to fines being issued by Denbighshire County Council. A letter was sent home from the Director of Education about the importance of school attendance and we will also send our annual information sheet out next week.

We had an incident this week when a squishy toy brought in from home burst and the chemical liquid spilled out onto another child causing a skin reaction. With this in mind, please do not send your children in with these toys as it is difficult to know which ones are genuine and which are fake. Please be aware at home too. Advice from councils in the UK outline the following concerns:

The UK Trading Standards have issued warnings regarding the safety of squishy toys, particularly those that do not meet basic safety requirements. They have seized products that failed to display UKCA markings, lack manufacturer and UK importer details, or do not include appropriate safety warnings and instructions. These toys have been found to contain high levels of benzene, which is carcinogenic, and emit strong chemical smells when opened. Additionally, there is a dangerous online trend encouraging children to microwave these toys, which can cause them to burst and release hot contents, potentially causing burn or injuries.

Dymuniadau gorau/Best wishes

Mrs R Archer

Pennaeth/Headteacher
